And will keep you posted from week to week on Correct Current Prices on Everything you buy.

Killed in Game of Croquet.

At Franklin two weeks ago, Finis Rowland had just finished a game of croquet and carelessly pitched the mallet over his left shoulder and hit Miss Besse Rowland on the back of the head. Blood poison set in, and after great suffering, she died.

To Mine Diamonds.

A special of this week says: "A company organized under the laws of South Dakota as the Kentucky Diamond Mining and Development Company with a capitalization of \$5,000,000, has filed articles of incorporation with County Clerk of Elliott county and begun operations among the celebrated 'Dykes' in the eastern portion of the county. A number of stones have already been discovered which have been pronounced diamonds by expert lapidaries of Baltimore. It is also reported that both red and green garnets have been discovered."

Iron Mound.

News is scarce, but dust, sunshine and dry weather is plentiful.

The rabbits are ripe and it is nothing unusual to hear the guns cracking every day, Sunday not excepted.

Master J. R. Thomas, who is at work for a Mr. Noland, of Cottonburg, Madison county, paid his parents a flying visit last Sunday.

Mrs. T. J. Berryman, Misses Ollie Stephens, Lottie Webber and Messrs. Tack Wills, Wm. Berryman, Arthur Stephens, J. R. and W. S. Thomas visited Candy Wills' family last Sunday.

F. J. and J. S. Stephens of Irvine, with their families, attended the burial of their niece Lizzy Stephens, who died at Ford last Friday and was brought to this place for burial Saturday.

J. W. Elkin, Iron Mound's genial merchant, has taken possession of the store recently purchased of W. H. Wiseman and will, in a few days, have a full store, and will be glad to see his many friends.

Died, at Ford, Oct. 24, 1902, Miss Lizzie Stephens, daughter of Wm. R. A. and Babe Stephens of typhoid fever. The deceased leaves a father, mother, brothers and sisters, several uncles and aunts to mourn her loss. We are proud to know that there is one who knows best, and has only called her from the trials and tribulations of this life to her heavenly home where there will be no more parting, but all is peace and happiness. I. M. D.

Cob Hill

News is scarce in this vicinity, and water is still scarce.

G. R. Snowden bought a nice milk cow from Millard Anes for \$27.50.

Mr. and Mrs. A. D. Howell, of this town, visited the family of Mr. Joe Howell at Miller's creek Sunday.

Miss Pricie McIntosh, of Knowlton, Powell county, has accepted the position as clerk in A. D. Howell's store at Cob Hill.

Clarence Miller, School Supt. of Estill County, was visiting the schools of this end of the county last week. We are glad to say Mr. Miller is making us a good Superintendent.

F. B. Turpin and family and Lee Robinson and family, all of this vicinity, have moved to Happy Top, Estill county, near the Jackson county line to engage in the stove business.

Messrs. J. H. Howell, W. E. Howell, W. M. Sample, A. D. Howell, Ed McKnight and C. R. Watson, all from this part of Estill were in Louisville last week, and most of them attended the Grand Lodge.

There has been a gentleman in this vicinity leasing land to sink wells for oil and gas, and has leased several farms in this part of the county. We all know there is plenty of gas on top of the ground in this vicinity, but do not know what quantity is under the ground.

W. D. Edwards sold a nice milk cow to W. H. Darrell for \$35. "Not Known"

At Lexington, Circuit Judge Parker delivered a vigorous charge to the special grand jury impanelled to investigate A. B. Chinn. He commented at length

upon the indifference of public opinion and the laxity of respect for the laws. In the course of his remarks he said: "If every spot where a man has fallen by the hands of violence were marked by a cross, Lexington would resemble a city of the dead as much as a city of the living."

Out Of Death's Jaws.

"When death seemed very near from a severe stomach and liver trouble, that I had suffered with for years," writes P. Muse, Durham, N. C., "Dr. King's New Life Pills saved my life and gave perfect health. Best Pills on earth and only 25c at Clay City Lbr. & Stave Co."

Opportunity.

Master of human destinies am I. Fame, love and fortune on my footsteps wait.

Cities and fields I walk; I penetrate

Deserts and seas remote, and, passing by

Hovel, and mart, and palace, soon or late

I knock unbidden once at every gate!

If sleeping, wake—if feasting, rise before

I turn away. It is the hour of fate,

And they who follow me reach every state

Mortals desire and reach every foe

Save death; but those who doubt or hesitate,

Condemned to failure, penury and woe,

Seek me in vain and uselessly implore,

I answer not, and I return no more. —Exchange.

America's famous Beauties.

Look with horror on skin Eruptions, Blotches, Sores, Pimples. They don't have them, nor will any one, who uses Bucklen's Arnica Salve. It glorifies the face. Eczema or Salt Rheum vanish before it. It cures sore lips, chapped hands, chilblains. Infallible for Piles 25c at Clay City Lbr. & Stave Co.

Goes Like Hot Cakes.

"The fastest selling article I have in my store," writes druggist C. T. Smith, of Davis, Ky., "is Dr. King's New Discovery for Consumption, Coughs and Colds, because it always cures. In my six years of sales it has never failed. I have known it to save sufferers from Throat and Lung diseases, who could get no help from doctors or any other remedy." Mother rely on it, best physicians prescribe it, and Clay City Lbr. & Stave Co., guarantee satisfaction or refund price Trial bottles free. Regular sizes, 50c and \$1.

Hopkins in Elliott.

The Hon. N. B. Hays, of Pineville, and the Hon. F. A. Hop-

kins, Democratic candidate for Congress, spoke at Sandy Hook, Elliott County to a large crowd. Mr. Hopkins spoke in the open air, as the court house would not hold the crowd. He was surrounded by about an acre of people, who listened patiently for more than one hour and cheered him to the echo. Elliott county will give Mr. Hopkins the biggest majority ever rolled up for any Democratic nominee.

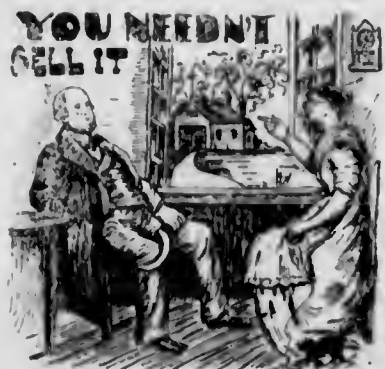

His Life In Peril.

"I just seemed to have gone all to pieces," writes Alfred Bee, of Welfare, Tex., "biliousness and a lame back had made life a burden. I couldn't eat or sleep and felt almost too worn out to work when I began to use Electric Bitters, but they worked wonders. Now I sleep like a top, can eat anything, have gained in strength and enjoy hard work." They give vigorous health and new life to weak, sickly, run-down people. Try them. Only 50c at Clay City Lbr. & Stave Co.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings slows the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

There can be no doubt, says the Philadelphia North American, that the cost of living will reach the top notch this winter.

Coal is already at prohibitive prices for many. The prices of many table commodities are soaring. The cost of coal has little or nothing to do with prices of meats and groceries. Meat is high because fodder was scarce during the summer, and because the meat trust has decreed an increase. Cereals are high because the food crop, outside of wheat was not large. The price of canned vegetables will be from 10 to 20 per cent higher than last year. Potatoes, green vegetables and fruit are cheaper than last year.

The cost of flour, sugar, coffee and tea remains about what it was. Flour and sugar are the products of industries controlled by trusts, and the relatives costs of other articles of consumption seems to affect them not at all. Coffee and tea are imported from countries where the cost of coal cuts no figure.

"The solid south" is often referred to on account of its never failing to go Democratic. Down there they attend to their "biz". They go and vote just as enthusiastically and as regular where they have no opposition as if they had a strong rival party. This is how they manage to keep the "solid south". Democrats of this Congressional district, take pattern; go to the polls the 4th of November and vote.

In Saline County, Ill. they are mobbing and using every effort to rid their county of the negro. Note the contrast. In Scott county, Ky. last week, a negro was elected chairman of the Republican convention over J. H. St. Clair, assistant postmaster.

Don't forget the election Tuesday.

SPOUTSPRING.

John E. Burgher has moved to Clay City.

Several from this place attend court at Winchester Monday.

The election, though but one week off, is not creating much excitement.

Mr. and Mrs. Grant Elkin, of Vienna, visited J. H. Dawson and wife Sunday.

J. W. Dawson and family, of Millers's Creek, were guests of relatives in town one day last week.

Miss Callie McKinney is spending a week or so with her sister, Mrs. Mina Niblack, near Winchester.

Joe King and wife, of Wade's Mill, visited Mr. King's father, J. Lyman King, the latter part of last week.

Joe Burgher and family, of Irvine, visited his brother, John Burgher and family Saturday and Sunday.

Sunday is the regular meeting day at the Baptist Church, and we learn there will be two or more ministers present.

The wife of Rev. Thomas Stinnett, formerly pastor of Kimbrell's Chapel Methodist church, died Oct. 16, at Caney, Morgan county.

J. Dillard Snowden has traded his farm near this place to his father-in-law, Wm. Snowden, for a place on Hardwick's Creek. He has moved to his new home.

W. E. Bryan, of Virden, who has been so low with fever, was here Sunday, still looking weak. Mr. Bryan has numerous well-wishing friends in this his old home town.

A reward of \$25. cash is offered by persons interested for the conviction of the parties who so disgracefully shot up the windows and doors to Jackson's Chapel meeting house.

Chas. W. Miller, a former resident of this county, and who ran for Representative on the Democratic ticket three years ago in this district, has purchased a handsome residence in Lexington. The property cost \$6,000, and was sold under the hammer, and is said to be a bargain.

Deputy Collector J. T. Short made a raid on Buck creek, this county, last Wednesday night and captured a complete moonshine still and 1,100 gallons of beer. The operator of the still, Jack McKinney, was captured and took to Richmond and lodged in jail to await trial in the Federal Court.

Genet.

J. H. Mullens and wife, of Bowen, visited V. C. Martin and family last Saturday and Sunday.

G. A. Crabtree, the champion sugar mill man, has about completed making all the cane hereabouts. Uncle George never does things by halves.

The wild cat squalleth and the owl hooteth, but if jack frost makes another visit, we will soon have "tates" and "possum."

A company drilling for oil on the Joseph Cogswell farm, near the Ragland oil fields of Bath county, struck, at a depth of about 75 feet, a vein of fine canal coal. The vein is 12 feet thick. The oil company is in a quandary, as it only leased the oil and gas privileges, and, it is claimed, has no control of the coal vein.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address, F. J. Cheney & Co., Toledo, Ohio. Sold by Druggist, 75c. Hall's Family Pills are the best.

KING'S ROYAL GERMETUR

All sickness is caused by disease germs. These germs are in the air we breathe, in the water we drink, in the food we eat, and our bodies are full of them. Any disorder of the blood, stomach or bowels, or any bruise or cut on the body will put these germs to work and sickness and pain follow. To restore health these germs must be killed. King's Royal Germetur is

A GERM KILLER

Taken internally it goes into the blood and through all the pores in the body, absolutely killing the germs of disease. There is no other medicine like it, and hence thousands of its cures seem almost like miracles. It has thousands of endorsements like the following:

Saturday is Halloween or All Saints' day.

Mrs. J. B. Eaton is spending the week in Louisville.

Mrs. D. O. Bloom was shopping in Mt. Sterling yesterday.

James B. Hall was in St. Louis last week on a business mission.

Wm. H. Wiseman and John W. Tuttle, of Sams, Estill county, were here Monday.

Elder J. T. Turpin was in town Monday enroute home from his meeting at Filson Saturday and Sunday.

Judge Webb and John Chalfin are attending the Grand Lodge of Knights of Pythias at Louisville this week.

Thos. Williams, Jr., the well-known timber dealer of Irvine, was in town the first of the week on business.

Miss Vaughn, who has been visiting her cousin, Miss Lizzie Mize, the past few weeks, returned home yesterday.

The Powell County Teachers' Institute is in session at Stanton this week with Prof. Lewis, of Lexington, as instructor.

The water in the reservoir of the Winchester Water Works has become so low all street sprinkling has been discontinued.

The protracted meeting at the Christian church continues with great interest. The services will likely conclude with the meeting to night.

Barnett & Co. have purchased of A. Mountz a boundary of timber on Hardwick's Creek for \$1,000. The timber will be worked up at once.

The Swann-Dav Lumber Co. has had two mammoth signs painted, one is on the electric light plant and the other is over the office and store.

Naah Rose, who is in the employ of the Kentucky Lumber & Veneer Company as salesman in their store near Jackson, has moved to that point.

The Methodist Church has received a new supply of hymn books. The books will be labeled and it is hoped that they will be left at the church.

The trial of Tom Cockrell for the killing of Ben Hargis at Jackson some time ago, has been completed at Campton and resulted in Cockrell's acquittal.

The Reliance Mfg. Co. will rebuild their planing mill at Winchester. The Council of that place has exempted their plant from taxation for five years.

The members of the Powell's Valley Baptist Church will give a box supper at that place on Friday night before the Second Saturday in November for the benefit of the church.

The erection of the Presbyterian church will soon begin. The

building is to be one of the nicest church houses in town when completed, and it is hoped to get it finished in a few months.

Dr. B. Littlepage is attending the meeting of the Kentucky Valley Medical Association which is holding its Fall session at Beattyville. The annual election of officers will come up at this meeting.

Supt. Frank B. Tracy happened to the misfortune of losing his residence together with the most of his household effects by fire at Stanton Sunday night between 10 and 11 o'clock. Loss, \$1,200; insurance, \$700.

From all evidence we can gather, we are inclined to believe that some are not holding a strict observance of the game law which does not allow the killing of quail until November 15, and all guilty persons should be prosecuted.

When you wake up with a bad taste in your mouth, go at once to any dealer in patent medicine and get a free sample of Chamberlain's Stomach and Liver Tablets. One or two doses will make you well. They also cure biliousness, sick headache and constipation.

John M. Kennen is having an eight-inch tiling laid along 8th. ave. from 10th st. to the river. This will be of great value to that portion of town, and his example in improving his lots on this street should be followed by other property owners of the town.

Wm. Mountz, Jr., who has been a compositor in the Times office for the past seven months, has resigned and gone to Lexington to take a general business course in Smith's Commercial School. Mr. Mountz is a deserving and splendid young man who has our best wishes.

Died, at his home near West Bend Friday, of typhoid fever, James Daniel, aged fifty-one years. The funeral was preached at the family residence by Eld. Rupard and the remains were buried at the old Zadock Kidd place.—Winchester Democrat.

Get a free sample of Chamberlain's Stomach and Liver Tablets from any dealer in patent medicine. They are easier to take and more pleasant in effect than pills. Their use is not followed by constipation as is often the case with pills. Regular size, 25c. per box.

Clay Gaitskill, Dr. Silas Evans, Mastin Talbott, C. F. Clay, Jr., Howard Moore and Henry Bratton, all of Bourbon county, compose a merry camping party that is stationed near Virden for a week or so. While here, the company will spend the time in hunting, fishing and etc.

Mrs. Mahalia Curtis, of Springfield, Colo., who is visiting old Kentucky friends, had a very delicate and severe operation performed on her in Winchester last week by Drs. Browne. The operation was successful, and the patient is getting along nicely, and will soon recover.

Baseball's Fatal Result.

At Danville, Lucien Caldwell suffered probably a fatal wound while playing baseball. He was hit on the head by a ball, thrown by one of the leading twirlers of the Perryville team, and the physicians believe his skull is fractured.

The busiest man is not always the most industrious one.

Heart Trouble Baffled Doctors.

Dr. Miles' Heart Cure and Nervine Cured Me.

There is nothing more necessary to health than sleep and rest. If these are denied you, if you rise in the morning more tired than when you went to bed, there is an affection of the nerves plainly present. If your heart is weak, or there is an inherited tendency in that direction, your weakened nerves will soon so affect your heart's action as to bring on serious, chronic trouble. Dr. Miles' Nervine is a nerve tonic, which quiets the nerves, so that sleep may come, and it quickly restores the weakened nerves to health and strength. Dr. Miles' Heart Cure is a great blood and heart tonic which regulates the action of the heart, enriches the blood and improves the circulation.

"Some time ago I was suffering severely with heart trouble. At times my heart would seemingly stop beating and at others it would beat loudly and very fast. Three to four hours sleep each night in ten months was all I could get. One week in last September I never closed my eyes. I got Dr. Miles' Nervine and Heart Cure at a drug store in Lawrenceburg, after spending \$300.00 in medicines and doctors in Louisville, Shelbyville, Frankfort, Cincinnati and Lawrenceburg, and in three days have derived more benefit from the use of your remedies than I got from all the doctors and their medicines. I think everybody ought to know of the marvelous power contained in your remedies."—W. H. HUGHES, Fox Creek, Ky.

All druggists sell and guarantee first bottle Dr. Miles' Remedies. Send for free book on Nervous and Heart Diseases. Address Dr. Miles Medical Co., Elkhart, Ind.

A Word to Travelers.

The excitement incident to traveling and change of food and water often brings on diarrhoea, and for this reason no one should leave home without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by all dealers in patent medicine.

A case of small-pox in a mild form has broken out at Ford. No danger of the disease spreading is apprehended.

Stricken With Paralysis.

Henderson Griggs, of this place, was stricken with partial paralysis and completely lost the use of one arm and side. After being treated by an eminent physician for quite a while without relief, my wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost entirely cured.—Geo. R. McDonald, Man, Logan county, W. Va. Several other very remarkable cures of partial paralysis have been effected by the use of this liniment. It is most widely known, however, as a cure for rheumatism, sprains and bruises. For sale by all dealers in patent medicine.

CLAY CITY, SPOUT SPRING, KENTUCKY.

A Typical South African Store.

O. R. Larson, of Bay Villa, Sundays River, Cape Colony, conducts a store typical of South Africa, at which can be purchased anything from the proverbial "needle to an anchor." This store is situated in a valley nine miles from the nearest railway station and about twenty-five miles from the nearest town. Mr. Larson says: "I am favored with the custom of farmers within a radius of thirty miles, to many of whom I have supplied Chamberlain's remedies. All testify to their value in a household where a doctor's advice is almost out of the question. Within one mile of my store the population is perhaps sixty. Of these, within the past twelve months, no less than fourteen have been absolutely cured by Chamberlain's Cough Remedy. This must surely be a record." For sale by all dealers in patent medicine.

Sylvester Haulcey, a prominent Methodist preacher of Wolfe county, died at his home on Stillwater. Blood poison had set up from an old sore and it was necessary to amputate the leg. Mr. Haulcey lived about four hours after the amputation.

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement, accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost. INTERNATIONAL AURAL CLINIC, 596 LA SALLE AVE., CHICAGO, ILL.
